TOOL STORAGE

International![®]

Welcome to the latest edition of the new and expanded ***International!*** tool storage catalog! Whether you are a professional tradesman or home “do-it-yourselfer”, we hope that you find just the right tool storage system to fit your needs and work style. Our products are designed from years of direct experience with tool users of all types. Drawer design, duty rating, mobility, locking systems, and cosmetics have been refined based upon comments and feedback from professionals throughout the world.

Founded in 1960, the **INTERNATIONAL** brand is a wholly owned trademark of **SPG International**. We remain a North American based tool storage manufacturer focused upon building the highest quality tool storage products on the market today.

In 2007 **SPG International** merged with **Geelong Sales Company** which is a major manufacturer of tool storage products in China, giving us manufacturing capability both in North America and Asia. The benefits of this merger will greatly enhance our ability to offer you a wider assortment of quality products, expanded services, and great price values.

At **International**, all we do is **Tool Boxes**. 100% of our time, effort, and energy are put into making the best box available for your hard earned dollar. Having the right storage system definitely helps you get the job done better, safer, and faster! Visit your local **INTERNATIONAL** distributor or call us direct if we can help you select just the perfect system for your needs.

International[®]

Tool Storage Product Guide

Let us help you select the right product for your needs

Introducing.....

International II[®]

ValuePricedStorageSystems

Geelong China factory

We are pleased to introduce to you the latest addition to our Tool Storage line-up! INTERNATIONAL II.

The INTERNATIONAL II line features great products at price points that are out of this world! Enabled by our merger with Geelong International, we are now able to offer you price points and product grades that were previously not available.

The following pages feature an expanded line of value priced items made both domestically and/or imported from our Chinese factory. All products are stocked in our North American warehouses, but many are also available on a direct import basis.

This section includes Value Series Tool Storage combinations, Job Site Boxes, Garage Storage Systems and Steel Shelving units. Be assured that this section will continue to grow as new items are added in the future!

International II[®]
